

June 14, 1971

Professor Dennis Puleston
Department of Anthropology
210 Ford Hall
University of Minnesota
Minneapolis Campus

Dear Dennis:

The purpose of this letter is simply to confirm in writing what I told you in person, that the financial emergency in the University makes it impossible for us to continue your appointment after June 15, 1972. I am extremely sorry that we cannot keep you here, because I think you are doing revolutionary research in archaeology and you have made a great contribution to the department in the past couple of years.

Please let me know if I can be of any help in your search for another position.

Sincerely yours,

Frank C. Miller
Professor and Chairman
